## **FAQs**

What do I need?

Everything you need to play! Bring your models, dice, Character cards, Tactics Cards, Crisis Cards, Measuring widgets and probably some super/plastic glue.

### **What releases are allowed?**

1. If you own the official model and it is on the official affiliation list you can use it.
2. Reworked character Cards, Tactics Cards and Crisis cards may be printed, but please try and bring official
3. If you have printed Crisis cards, please bring a D6 to randomise which crisis is chosen each game (or other fair method to randomise selection if cards are easy to tell apart, eg list builder app ect.)

### **Are miniature Proxies allowed?**

See the challenger rules

### **Do I need to use fully painted models?**

No, but strongly encouraged - we want to dazzle anyone walking by or seeing photos online and convince them they want to play this amazing game - also there will be painting prizes and you will only be eligible if your entire (official miniature) roster is painted.
