DEFGRAM 359/2023

Issue date: 07 August 2023
Expiry date: 03 November 2023

ADF WARGAMING ASSOCIATION EVENT - HEROCON 2023

1. The ADFWGA will hold HEROCON 2023 at the Australian Defence Force Academy (ADFA), over the period 02 - 03 Dec 2023.
2. Over the course of the last 200 years, wargaming has enhanced the cognitive capacity of soldiers and officers throughout the world. Wargaming in all forms, digital or analogue, professional or hobby contributes to the ability of our people to creatively tackle a broader range of complex problems. Since 2011, the ADFWGA has promoted tabletop wargaming within Defence to provide opportunities for participants to experience tactical decision-making against free-thinking adversaries in a safe-to-fail environment.
3. HEROCON 2023 aims to:
 - a. promote the ADFWGA and hobby wargaming within Defence
 - b. develop connections with Canberra-based wargaming clubs
 - c. support the ADFWGA charity: Soldier On.
4. Further information regarding HEROCON 2023 including the event instruction, game systems player's packs and event tickets can be obtained from the [ADFWGA website](http://www.adfwga.com)¹ (www.adfwga.com - not accessible via the DPN).
